

BORDER & SECURITY SOLUTIONS

WHO WE ARE

At Moneda Technologies, we focus on delivering top-notch Border & Security Solutions. Licensed to export and serving as channel partners for the various Defence Public Sector Undertakings, earlier knowns as Ordnance Factory Board, under Ministry of Defence, we are dedicated to providing exceptional defence and military equipment, including arms, ammunition, artillery guns, weapon systems, rescue solutions, and armoured fighting vehicles including Troop Comforts items for soldiers.

Our mission is clear: to assist our esteemed customers with products and solutions that enable them to ensure the safety and security of their national borders using reliable, state-of-the-art technology arms & ammunitions. We pride ourselves on our expertise and commitment to excellence, knowing that our products play a crucial role in safeguarding communities and national interests. At Moneda Technologies, we're not just suppliers; we're partners in defence, working tirelessly to support the missions of our clients and enhance security of clients worldwide.
